Controls Technician

Hiring Range DOQ: \$20.30 - \$22.01 per hour

Deadline for Filing: Friday, March 13, 2015

The Position

Perform skilled work in the design, testing, installation, inspection, maintenance, and repair of specialized electronic instrumentation and process control equipment in facilities of the water treatment system or related municipal water and wastewater system facilities utilizing the Supervisory Control and Data Acquisition (SCADA) system.

Qualification Standards

Graduation from high school or GED certification supplemented by two (2) years' specialized education or vocational technical training in computer information systems or electronics technology and two (2) years' experience in computer-based control systems; or any such combination of education, experience, and training as may be acceptable to the hiring authority.

Ability to work varied schedules to accommodate a 24-hour-per-day, 7-day-per-week operation.

Willing to work standby and extended hours when required.

Must possess or be able to obtain prior to hire a valid driver's license.

Application and Selection

Apply online at www.siouxfalls.org or at South Dakota Department of Labor and Regulation, 811 East Tenth Street, Department 41, Sioux Falls, SD 57103-1650. Most qualified will be invited for testing. Special accommodations for application and/or testing or job information in alternative formats available upon request.

Equal Employment Opportunity Statement

The City of Sioux Falls does not discriminate on the basis of race, color, religion, sex, sexual orientation, national origin, creed, ancestry, pregnancy, age, genetic information, or disability in employment or the provision of services.
