

Engineering Seasonal Employee
Engineering
\$12.00 per hour
Deadline: February 17, 2017

The City of Sioux Falls is accepting applications for seasonal employees for Engineering. This is a non-benefitted position involving 40 hours per week for a 4 month duration period, May 1 to August 31, 2017. Dates are subject to applicant's schedule.

Seasonal employees within the Engineering Division will be involved in a variety of engineering related activities performed in support of design, construction, or maintenance of City of Sioux Falls' public infrastructure. Specific duties may include participating on survey crew, materials testing, project inspection, GIS data editing, traffic counting, data collection and verification, traffic sign installation, traffic signal maintenance or other engineering related activities. Duties are primarily performed outdoors and are physical in nature. Applicants enrolled in an engineering curriculum as a full-time student at a college, university or vocational-technical school for the fall 2017 semester preferred.

Applications for temporary employment are available online at www.siouxfalls.org or at Human Resources (224 West 9th Street, Sioux Falls, SD). A resume is required with the completed application form. Mail applications for employment to Human Resources, 224 West 9th Street, Sioux Falls, SD) or email recruiter@siouxfalls.org. EOE.
